type Teacher Tips - Animal Stories

Download the picture file called animal stories. This folder contains 23 animal photos which can be printed, projected or placed into a PowerPoint presentation to be shown to students. The students should then be assigned to select an animal and write a story or information article about that animal. I give permission to use any of these images under the Creative Commons license.

The animal photos included are:

- bears*
- a chipmunk*
- a duck*
- a frog*
- giraffes*
- a great-horned owl*
- a groundhog*
- ponies*
- a primate*
- manta rays*
- rhinoes*
- sea lions*
- snails*
- spiders*
- a turtle*
- a warthog*

You can also use photos you have taken or found on the internet.
